Items for the Daily Log - 5 June 1954

Legislative Counsel

25X9

2. Congressman Mahon's office informs me that the Congressman would like to meet with the Director at 0900 Friday, 11 June, at CIA.

3. Despite apparent assurances to the contrary, Congressman Hillings has visited Guatemala and neighboring countries for the Kersten Committee during the past two weeks. One difficulty that this will present will be to start rivalry between the Jenner and Kersten Committees, the former having previously held off hearings on Guatemala.
